- iii. Without notice, if the Applicant is found committing theft of Gas, and seize all material evidence from the premises and file a case against the Applicant for such an act, with a copy to the Applicant.
- 9.2 If the Gas is not consumed by the Applicant for a continuous period of 26 weeks SEL may disconnect the supply of Gas and shall consider it as a temporary disconnection. In the case of 'temporary disconnection' for non consumption of Gas or at the request of the Applicant for such disconnection, the Seller may charge maintenance costs for the connection and the security deposit shall not be refunded.
- 9.3 In case of permanent disconnection, the Applicant shall be refunded security
- deposit after making necessary adjustment of the final bill by the Seller. 9.4 The Applicant may by written notice, request for termination of Gas supply and apply for refund of security deposit. The security deposit shall be refunded after making necessary adjustment of the final bill within a period of 15 (fifteen) days from the receipt of such notice.
- $9.5~\mbox{ln}$ the event of termination / permanent disconnection of the Gas supply, without prejudice to the other rights of the Seller, the Applicant shall be liable to pay to the Seller all amounts due and payable by the Applicant to the Seller upto the date of termination of the agreement.

10. RECONNECTION:

If after termination of Gas connection, the Applicant applies for the reconnection of the supply of Gas all non refundable reconnection/re-commissioning charges (as determined by the Seller) shall be borne and paid by the Applicant. This shall be treated as a new connection

11. SHIFTING / ALTERATION / MODIFICATION OF EXISTING CONNECTION:

11.1 If a registered Applicant desires to shift from the present place of residence having PNG connection to a new place of residence, he/she will have to pay the actual shifting charges as decided by SEL, provided the said new place of residence falls in the areas where PNG is available, subject to condition that

the Applicant shall not remove, shift, dismantle, modify, alter the meter and/or any other pipeline installations including copper piping etc. at the old place or residence and the same if necessary, shall be done by SEL

- 11.2 Seller shall verify the lawful ownership of the new premises by the Applicant making the request.
- 11.3 Seller shall examine the technical feasibility of providing the connection in the new premises and the same shall be provided within 30 days or as stipulated in PNGRB Regulations, and the Applicant shall be charged with the actual cost of such
- shifting.
 11.4 Seller shall inform the Applicant within 15 days in writing if new premises are not found feasible on any technical or safety considerations.
- 11.5 In case of complete demolition of a premises with an existing connection, the Seller, on receipt of such request for disconnection from the Applicant, shall remove the meter and other equipments within a period of 30 days from the premises of the Applicant and in case the Applicant so desires, reconnect the same in the reconstructed premises at the cost of Applicant.

12. TRANSFER OF THE CONNECTION:

In case of a request of change of Applicant name against Applicant relationship number, the Seller shall

- (i) Verify that the person making such request is the new lawful owner of the premises and such application is accompanied by a consent letter from the existing Applicant in whose name the connection is registered.
- (ii) Security Deposit may be transferred in the name of new Applicant, if desired by the previous Applicant.
- (iii) Inform both the previous and new Applicant of such change within 30 days, provided that in a case where the previous Applicant does not give consent for transfer of refundable security deposit, the Seller may seek fresh refundable security deposit from the new Applicant of the premises
- iv) In case of death of an existing Applicant, the connection may be transferred to his/her legal successor.

13. LIABILITY/INDEMNITY:

13.1 The Applicant shall not use the Gas for any illegal or unlawful activity or purpose. In case of any offence under or violation of any law, statute or regulation by the **DECLARATION**

Applicant, the Applicant alone shall be responsible and liable for the said offence or violation and the Applicant agrees to indemnify and keep indemnified the Seller from and against any loss, claim, action or proceeding that may be suffered or incurred by

- the Seller as a result of any such offence or violation by the Applicant.

 13.2 The Applicant shall be liable for any loss or damage caused to pipes equipment or installations whether caused on account of negligence by the Applicant, or its
- employees or agents, theft, sabotage or otherwise howsoever.

 13.3 The Applicant shall be deemed to be in exclusive possession and control of the Gas once Gas passes the meter outlet, and thereupon, the Applicant shall be liable for any leakage or for any damage caused to any person or property as a result thereof. Accordingly the Applicant shall protect, indemnify and hold the Seller harmless against all claims, demands, action, suits, proceedings, judgments and all liabilities, costs, expenses, damages or losses arising out of or resulting from or incidental to or in connection with the supply of Gas.
- 13.4 The indemnity provisions will be enforceable notwithstanding termination of Gas
- supply.

 13.5 The Seller will put in his best endeavour to cause minimum damage to Garden, Lawn, Plants, Decorations, Tiles and any other decorative surfaces within the society or Applicant's premises (whether owned or rented), both on the ground and on the walls. Whilst the Seller will ensure that any disrupted areas are left in backfilled condition, the final reinstatement of surface decorative areas will be responsibility of the Applicant.
